The In-Person Coach Training is designed for individuals who are interested in becoming a PEARLS coach. You will obtain all of the tools that will prepare you to meet one-one with older adults to help them build the skills they need to live happier, healthier, and more independent lives.

There are no professional licensing, accreditation, or higher education requirements to become a PEARLS coach. Our goal is to make this program as accessible as possible.

Registration: Email: fia@horizonhealthservices.com or call 320-468-6451 and ask for Jurnee
